CANCER SUPPORT

Charity Cycle Rides at Stratford-upon-Avon for Macmillan Cancer Support

MacRide Starts/Finishes at Stratford-upon-Avon Park & Ride at Bishopton Lane

Signposted - at the junction of the A3400/A46

Stratford-upon-Avon Park & Ride (P&R) is **FREE** to park - open from 0800 for the MacRide*
If you arrive by car please follow the MacRide signs and park to the far end of the car park
To start the ride, check-in at **MacRide Control** in the P&R building - there will be *Fastrack* desks for riders already registered and separate desks for the on-the-day entrants. Riders will be given a rider number and card - together with the route sheet.

All rides distances have a control stop (at the same location) with toilets and refreshments on sale (in aid of MacRide) - and more refreshments at the finish.

* Note : The car park closes at 1900 and the gates will be locked - after that time there is a release fee of £36 payable to the P&R operator. **There is usually a height barrier at this car park but it will be open on the day to allow tall vehicles or cars with bicycles on roof racks to enter**

Stratford-upon-Avon Park & Ride is a Warwickshire County Council scheme in association with Stratford District Council and supported by Stratford-upon-Avon Town Management Partnership - and operated by Johnson's Coaches
